Kare Venner (Dear Friends):

Velkommen to the 46<sup>th</sup> Annual Danish Festival!

The Greenville Danish Festival is now accepting applications for food vendors for the 46th annual Danish Festival, August 20, 21, 2010. Please read carefully all of the enclosed information and requirements, and note the deadlines.

Selection of professional vendors is based on overall variety of food, its contribution to the Danish Festival and the celebration of the Danish Heritage, and past experience with the Danish Festival. This year we are requiring each vendor to participate in decorating your booth in a Danish theme along with having at least one item on your menu reflecting the Danish spirit.

Application deadline is Friday, March 20, 2010. Notification of your acceptance will occur by April 3, 2010. If you are approved, we will mail a confirmation, contract and invoice. **New vendors who have not participated before, please send us a current photo of your unit and a copy of your full menu.**

The exciting variety of food brought by our vendors to the 80,000+ people who visit our community for the Danish Festival is always an important part of the Festival. We look forward to your participation in the 45<sup>th</sup> Annual Danish Festival.

Opringtig (Sincerely),

Brad Cantrell
