She holds a Bachelor's degree and is pursuing her Master's in Public Health at Saginaw Valley State University. Maddison is the current Miss Flat River Heritage and recently represented Ionia and Montcalm Counties at the 2025 Miss Michigan competition. She has a deep appreciation for the personal and professional growth that pageantry offers. Outside of her career and education, Maddison enjoys volunteering, spending time with her family, and baking and cooking. With a heart for service and a passion for mentorship, she is honored to help encourage and uplift the next generation of titleholders.

Haley Kozal

Haley Kozal is a community-oriented young leader. She currently serves on the Pulaski Days Board as a Trustee and runs the social media accounts and annual golf outing fundraiser. She served as the 50th Anniversary Pulaski Days Queen and 2021 Court. In her professional life, she works at Grand Rapids Community College as a Program Manager. Her work revolves around building accessible workforce development opportunities through trainings, mentorship, coaching, soft skill development, and self-empowerment. She would like to thank her family, fiancé, and friends for always supporting her.

Brianna Nienhuis

Brianna is no stranger to the stage as she grew up participating in various music and theater programs in Greenville. She currently works as an elementary music teacher for Jenison Public Schools. She also teaches classes and summer camps at Grand Rapids Civic Theater. Her and her husband just got married in April 2025 and enjoy spending their time together serving on their church's worship team and spending time with friends and family at the lake!

Young/Junior Miss Judges Alese Copley

Hi there! I am a mental health therapist living in Greenville, who will be starting my business here soon. I have enjoyed working with young girls as a volunteer running coach in the past, and inspiring them to become proud of themselves as well as building their self confidence in positive ways. I have an adorable son who just turned 1. My hobbies include playing the piano, gardening, doing yoga and golfing. I do not have any pageant experience, but am excited to judge!

Riley Kinnee

My name is Riley Kinnee and I graduated from Davenport University in 2024, where I was a member of the track team, and double majored in Business Administration, and Human Resources, and I am starting to pursue my graduate degree this fall. My professional experience lies in the HR world, focusing on talent acquisition, company culture, and employee relations.

In my free time, I like to stay active by taking my dogs on a walk, going to yoga, or enjoying a game of pickleball with friends. I love being in nature, and you can find me going on hikes, or enjoying a book on the beach.

Jaylynn Hiler

Jaylynn Hiler, 21, from Lakeview, Michigan, is the founder of Faith-ful Paws, a nonprofit dedicated to supporting animal shelters across Michigan and beyond. A 2022 Lakeview High School graduate, she's finishing her associate degree in Accounting at Ferris State University. Active in pageantry since age 12, Jaylynn holds titles including Miss Lakeview 2019 and United International Elite Miss Michigan. Her work recently earned her the Stephen B. Lloyd Award and a \$300 grant to keep helping animals in need. To support Faith-ful Paws, feel free to connect with Jaylynn after the pageant — together, you can help make a difference.

Amber Zimmerman

Amber is a recent graduate of Aquinas College with a Bachelor's degree in Health Sciences. She is currently on track for a career in cardiology as a P.A. Amber has been involved with the Miss Danish Festival pageant since 2014, becoming Young Miss Danish Festival in 2018 and Miss Danish Festival in 2021. She later went on to hold the title of Miss Flat River Heritage in 2023 and competed at Miss Michigan, winning the STEAM award. In her free time you can find her volunteering with the Humane Society of West Michigan or at home with her four pets

Miss Danish Festival 2024 Larissa Roy

As this eventful, loving, and extraordinary reign comes to a close, I can't help but feel so blessed that I was able to share it with the Greenville community and the rest of the Danish Festival 2024 Court. Growing up, the Danish Festival was always my favorite part of the summer, but I never thought that one day I would be the Danish Festival Queen.

Greenville gave me an amazing childhood and molded me into the person I am today, which is why I have done everything I can this year to pay it forward before I go off to college in a few short weeks. The connections I've made, family that's guided me, and friends I'll forever hold on to, are the reason that Greenville will forever be my home.

Now I'd like to shout out a few people. Thank you mom and dad for always supporting me in everything I do, pulling the float, fixing the float, and setting up the float. Your support and love is what has brought me here today, and I will always need my mom and dad. Thanks to my Grandpa, Jeff Hunter, for sponsoring me and providing a truck to pull the float. Thank you Alexa for creating such a safe space for the court where we can thrive and be ourselves, as well as being the mastermind behind the whole operation. We couldn't do it without you and your work is seen and appreciated. Thank you to Evan for being one of my biggest cheerleaders and stepping up as Danish Court Security on several occasions. And thank you to the rest of the Danish Festival Court for making this the best year ever.

I'd like to thank my First Runner Up, Lalaynah, for always being her positive bubbly self, and giving me big sister advice about college whenever I need it. Thank you to my Second Runner up, Alec, for always being a friend I can talk to and rely on as well as your huge contribution and dedication to our team. Huge thank you to our Young Miss, Hannah, who has been my ride or die through this journey we started together. It's crazy that this time last year, you and I were up all night practicing on stage questions and now we get to say "we did it". It's also crazy to think that it's almost over. Thank you to our Young Miss Runner-up, Brooke, for being the fabulous person you are. Keep striving for greatness girl! Thank you to our beautiful Junior Miss, Kendra, for always being so eager to be a helping hand. You are such a fearless girl and I cannot wait to see you grow into the strong independent woman you're becoming.

Thank you to my Prince and Princess, Xavier and Kelsi, for being the sunshine of our court. You two are already so involved at such a young age, and I am so proud of you both. You're going to do great things. Lastly, I would like to thank the parents of the rest of the court members for always showing up for your kids and the court. Your help and support this year at parades and events is greatly appreciated.

With that, I would like to conclude my speech with a message to Miss Danish Festival 2025. You did it! The hardest part is over and now you have an amazing year ahead of you. No matter who you are, I know you will serve your community with kindness, empathy, and sincerity. Remember to always support your court because they are crucial to the success of your reign. Lead by example and most importantly lead with love. Soak it all in, because before you know it, It'll be over. I am so beyond proud of you, Greenville is rooting for you, and so am I.

Thank you!
