Welcome to the 62nd Annual Danish Festival!

Dear Friends,

Velkommen! On behalf of the Danish Festival Board of Directors, it is my pleasure to welcome you to the 62nd Annual Danish Festival, August 21–23, 2026, in beautiful Greenville, Michigan!

This year's theme, "Danish Monarchy – A Royal Celebration," gives us the perfect opportunity to celebrate our Danish heritage while continuing the traditions that have made this festival such a special part of our community for more than six decades.

Throughout the weekend, I hope you'll enjoy everything the festival has to offer—from the Meijer Grand Dansk Parade and our Artisan Fair & Boutique to live entertainment, delicious food, children's activities, Danish traditions, and so much more. Whether you have attended for generations or this is your very first Danish Festival, we are so glad you are here.

An event of this size would not be possible without an incredible amount of community support. I want to extend my sincere thanks to our Board of Directors, volunteers, sponsors, local businesses, community organizations, City of Greenville, public safety personnel, vendors, entertainers, and everyone who gives their time and talents to make this weekend possible. There are countless people working behind the scenes, and I am incredibly grateful for each of them.

Most importantly, thank you for joining us. Every person who attends a parade, visits a vendor, enjoys an event, volunteers, or simply brings their family downtown helps keep this Greenville tradition going strong. I hope you make wonderful memories, discover something new, and experience the community spirit that makes the Danish Festival so special.

Velkommen, and enjoy the 62nd Annual Danish Festival!

Warmly,

Kristen Videan, Executive Director
Danish Festival

THE HISTORY OF DANISH FESTIVAL

Celebrating Danish Heritage Since 1965 ❤️

1964

A community contest was held seeking ideas to help promote Greenville. **Mrs. Dorothy Oliver** submitted the winning suggestion: hold a special day honoring the Danish heritage of the many families who had made the Greenville area their home.

AUGUST 18, 1965

Her idea became a reality on August 18, 1965, when Greenville held its **first Danish Festival**.

1968

Danish Festival, Inc. was incorporated as a **nonprofit organization**, helping establish the festival as an annual Greenville tradition.

THROUGH THE YEARS

Parades, Danish food, music, the Danish Festival Band, pageants, arts and crafts, children's activities, entertainment, community gatherings, and many other special events have helped shape the festival remembered by generations of Greenville families.

TODAY

The Danish Festival welcomes more than **55,000 visitors** and is made possible by a dedicated Board of Directors, hundreds of volunteers, local businesses, sponsors, organizations, and community members.

2015

The Danish Festival received official **501(c)(3) nonprofit status**, furthering its mission of celebrating Greenville's heritage and strengthening the community.

2021

The Danish Festival purchased **Tivoli Square** in downtown Greenville. The property represents the festival's commitment not only to one weekend each August, but also to creating a lasting gathering place for arts, culture, entertainment, and community events throughout the year.

1965

THEN...

...AND NOW

62 YEARS OF COMMUNITY & CULTURE

In **2026**, Greenville celebrates the **62nd Annual Danish Festival**.

While the festival has changed and grown tremendously since that first celebration in 1965, its purpose remains much the same:

To celebrate our Danish heritage, welcome home family and friends, and bring our community together.

From those who started the tradition more than six decades ago to the volunteers carrying it forward today, the Danish Festival is a celebration of **heritage, community, family, and Greenville.**

Tak for 62 wonderful years – and here's to many more! ❤️
